Holly Baltz, News Editor
The Palm Beach Post
PO Box 24700
West Palm Beach, FL 33416

Dear Holly Baltz:

I am writing in response to your ad on the *Editor & Publisher* website. In addition to being a pop music critic, music editor and associate editor of the *Welcomat*, an alternative weekly in Philadelphia that now is known as *Philadelphia Weekly*, I was the copy editor for over five years, preparing all editorial copy for the editor-in-chief as well as the arts and entertainment editor. I was also the paper's production manager, laying out the paper's front (news) section, first in old-style, manual cut-and-paste and later in Quark. We used Macs, typesetting (or scanning) and editing the articles in MS Word before importing the text into Quark. I also use PCs as well.

Enclosed is my resume as well as clips of my writing which is music-related since I was the paper's music critic.

Thank you for your consideration. I look forward to your response.

Sincerely,

Peter Brown
